www.veterinaryworld.org,
editorveterinaryworld@gmail.com, veterinary_world@yahoo.com

I recommend the journal for the following reasons:
(1 = very important; 2 = important; 3 = not important)
Make the appropriate figure bold.

1 2 3 **REFERENCE:** I will refer to this journal frequently for new research articles related to my work.

1 2 3 **STUDENT READINGS:** I will be referring my students to this journal regularly to assist their studies.

1 2 3 **BENEFIT FOR LIBRARY:** My evaluation of the journal's content and direction is very high. Its acquisition will add to the library's success in fulfilling department, faculty and student needs.

1 2 3 **OWN AFFILIATION:** I am a member of the journal's Editorial/advisory board. I therefore support it strongly and use it regularly in my work. I will regularly recommend articles to colleagues and students.
